54th Year of Statewide Series 16th Annual Class AA

1993 Class AA Boys State Baseball Tournament Pairings

IMPORTANT ITEMS — A flip of the coin will determine home team and visiting team for each game in the tournament series, and the original coin flip will stand in the event the game is called.

The 10-run rule will be in effect for all tournament games. In the event that one team is ahead by 10 runs or more at the end of the fifth (5th) inning (four and one-half innings if the home team is ahead before it bats at the bottom of the fifth), or any inning thereafter, play will be terminated by the umpire.

If a game at any level of the tournament series, after having gotten underway, must be postponed because of rain, wet grounds, darkness or other reasons, it is ruled a "suspended game" and shall be continued from the point of suspension. However, Rule 4-2-4 shall be enforced.
